

How Do You Get a *Secret Sisters Society*[®] Cancer Screening?

WHO is eligible?

The **Secret Sisters Society** program is for women, age 40-49, who would otherwise be unable to afford an annual screening for breast or cervical cancer. United Health Services, the local administrator of the Indiana Breast & Cervical Cancer Program, qualifies women for the program and their staff may also direct women to other available health care resources. To find out if you qualify and enroll in the **Secret Sisters Society** Program, call **United Health Services** at (574) 247-6053 or (866) 274-6446.

HOW are these mammograms funded?

The money is raised through the annual **Secret Sisters Society** Luncheon & Style Show, presented by the **Women's Task Force of Saint Joseph Regional Medical Center** each September. Additional money comes from the purchase of **Secret Sisters Society** memberships by friends in the community and donations made to the fund by other individuals, groups or businesses.

WHO helps with this program?

Other partners in this program include **United Health Services/Indiana Breast & Cervical Cancer Program** and the providers who offer **Secret Sister** screenings, including Saint Joseph Regional Medical Center (Mishawaka, Plymouth, South Bend & the Mobile Medical Unit), Elkhart General Hospital, Memorial Hospital, Radiology, Inc. and XRC Medical Imaging.

Whose idea was this program?

The Women's Task Force of Saint Joseph Regional Medical Center! It is their mission to empower women, through knowledge and support, to gain optimal health.

Thank you for taking the time to take care of yourself.

Be sure to remind the sisters in your life of the importance of regular breast self-exams and annual cancer screenings. It could save the life of someone you love.
